

## Safeguarding Activities Assessment Tool (SAAT) FAQs

### 1. What is the Safeguarding Activities Assessment Tool (SAAT)?

The Safeguarding Activities Assessment Tool (SAAT) has been developed for application at the Parish / Agency levels based on the National Catholic Safeguarding Standards (NCSS) compliance audit criteria and indicators. The SAAT assesses compliance with the NCSS Parish/Agency specific criteria and indicators on behalf of **the Entity (Catholic Archdiocese of Perth—CAP)**.

The Safeguarding Activities Assessment Tool (SAAT) aligns with the:

- National Catholic Safeguarding Standards (NCSS)
- NCSS Criteria and Indicators
- Australian Catholic Safeguarding Ltd (ACSL formerly Catholic Professional Standards) compliance audit criteria requirements, and
- ACSL Compliance Assessment Scale.

The SAAT contain Standards 1 to 10 that the Parish and Agency can apply in their self-assessment of safeguarding conformance level.

### 2. Why was the Safeguarding Activities Assessment Tool (SAAT) developed?

The SAAT replaces the Parish Self-Audit Form 11.

The SAAT has been developed as an assessment tool to guide users in understanding what the compliance requirements are, and what needs to be implemented.

The SAAT format reflects the Australian Catholic Services Limited (ACSL) Entity Assessment format providing synergy between the Parish/Agency and CAP levels.

To meet the 10 National Catholic Safeguarding Standards (NCSS), **the Entity (Catholic Archdiocese of Perth—CAP)** has to meet all criteria and indicators. By achieving compliance with the NCSS at the Parish/Agency level, will contribute to the CAP meeting the criteria indicators.

### 3. Why change from a three page Parish Self-Audit format to the SAAT format?

The Safeguarding Parish Self-Audit Form 11 no longer meets the requirements of the NCSS. To enable better compliance self-assessment at the Parish/Agency level, the SAAT provides guidance on what is applicable and what should be actioned using the criteria and indicators.

#### 4. What is Australian Catholic Safeguarding Ltd (ACSL)?
